Great job on finishing the "Communication Project" assignment! Your work throughout the semester indicates you understood the communication needs of the featured student and were able to come up with a plan to specifically address the identified needs. Your reflections indicate you have the ability to consider what went well and what could be better, showing you're always looking to improve. Overall, you did a fantastic job on the "Communication Project" assignment! Keep up the good work, and it has been a pleasure to work with you this semester!
