	characteristic is relevant to the field. Reference the challenges of individuals with ASD in varied settings (e.g., virtual classroom, home/school, etc.)	how the featured characteristic is relevant to the field. Reference the challenges of individuals with ASD in varied settings (e.g., virtual classroom, home/school, etc.)	how the featured characteristic is relevant to the field. Reference the challenges of individuals with ASD in varied settings (e.g., virtual classroom, home/school, etc.)	
Impact	10 pts Your written commentary clearly provides an explanation of how/why the featured characteristic is relevant to the lives of individuals with ASD	5 pts Partial credit awarded for this required component because your written commentary written commentary DOES NOT clearly provide an explanation of how/why the featured characteristic is	0 pts Your written commentary DOES NOT provide an explanation of how/why the featured characteristic is relevant to the lives of individuals with ASD	10 / 10 pts

Look at the box on the assignment instructions called Point of Emphasis and use APA formatting. There are links to the guide for APA. Your other masters programs probably used MLA or other formatting styles.

Mike, in our grad programs we really encourage students to use fewer direct quotes and to instead put quotes in their own words with a in text citation for ex. if you wrote about something I said you might put (Griswold, 2020). You will get used to this!
